- Goronwy has visited the bridge down the track at Dolgarrog work is ongoing Goronwy was told that certain people are ignoring the signs and still crossing the bridge which is adding to the delay on the works but apart from that all works are going as planned. They are looking to finish work around Christmas time this year.
- Goronwy spoke about people at risk within our community with the rise in energy prices he will be looking into see if the community can get any funding to be able to invite locals into the community centre during the day who may be struggling to keep warm during the winter months.
- Afon Ddu car park - we are still unsure of who owns the land the people who are using the car park are leaving behind rubbish, clothes and used toilet paper. Goronwy mentioned that if we were to speak to active travel maybe they would be happy to fund money to be able to have toilet facilities down at afon ddu. We will chase this up with Goronwy
